

# 01. The Super Networker

These are fictitious scenarios and listed companies are not actual participants.

# FAMILY VENTURES

Each era of venture has been defined by companies that build “*founder clusters*”

1998

 **PayPal**

 TESLA

 LinkedIn

 Palantir

 SPACEX

 affirm

2005

**Google**

Instagram

 twitter

 xiaomi

 Pinterest

 flatiron

2009

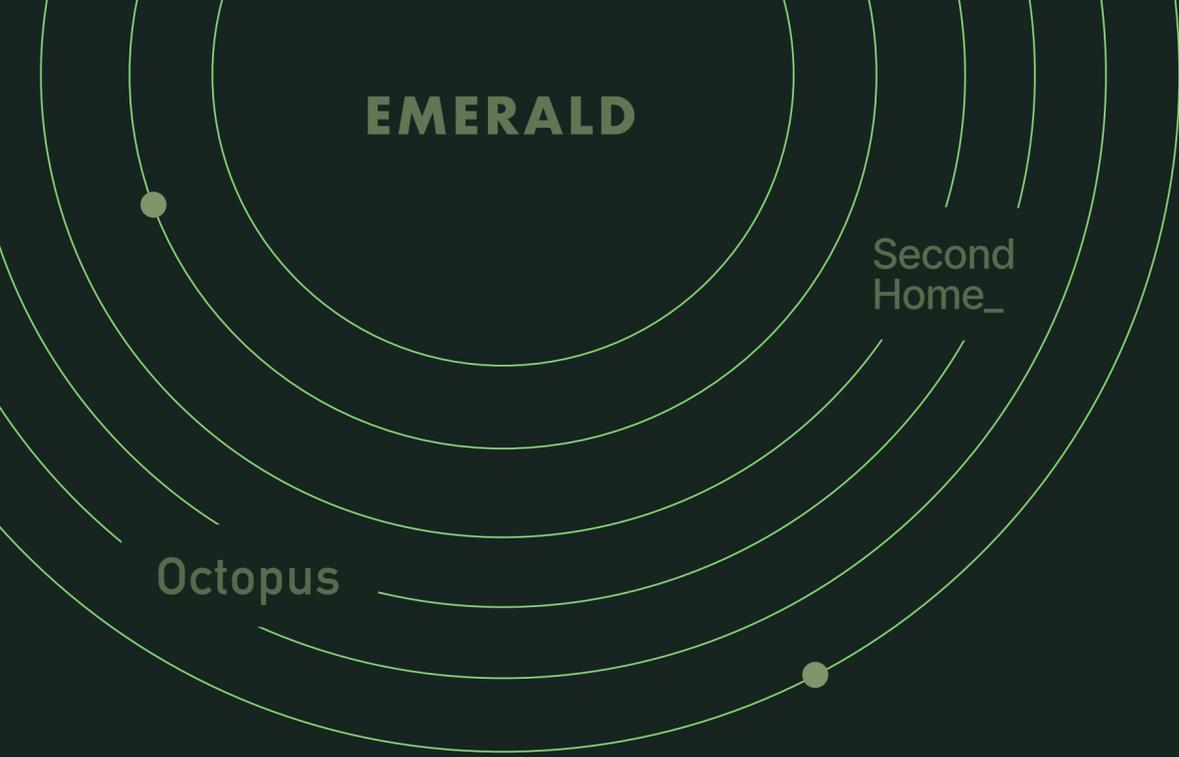

**Uber**

 BIRD

beam

 BARK-BOX

 rideOS

The next *great solar systems*  
are being formed today

I have built *deep relationships* in each of these companies

### EMERALD

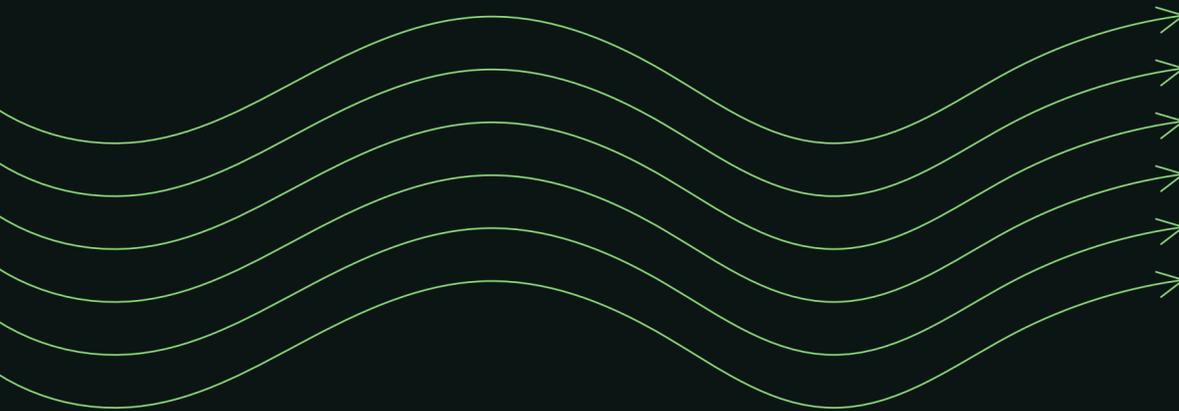

- Was Employee #4
- Managed 8 current founder

### Plane

- Serve on Board of Directors
- Coach founder on personal development

### oxygen

- Served as Chief Product Officer
- CFO was my maid of honor

I have put the *infrastructure in place* to surface the best companies from these emerging ecosystems

### Intra-Company Scouts

Alert me when colleagues are starting a company in exchange for carry

### Alumni Forums

Managing communities for former employees of each company
